- 2.1 – Subject 1
- 2.2 – Subject 2
- 2.3 - Subject 3

Decision taken by CoB MC

Proposed subjects for the 34th CoB FM meeting

4.2.1 Proposed subjects and Session Chairmen

Session 3: *Specialized Mechanization: Machinery for Emerging Countries*

Josse DeBademaker Session Coordinator&Chairman

Possible KeyNote presentations

3.1 – Present situation

3.2 – The needs (which are the priorities) and obstacles

3.3 - xxx

Decision taken by CoB MC

STUDY GROUPS

To activate a new SG on: *“Improve the relationship between University/Public Research Center and Agriculture Machinery Industry”*

SG Coordinator: Giuseppe Gavioli

Clousure

FINAL REMARKS

All the presentations will be uploaded (as .pdf) on www.clubofbologna.org with the Sessions Chairmen/Rapportours reports

Please, remember to fill the Sessions Key-Sentences form that can be download from the CoB website

Clousure

Before officially to close the 33rd CoB Members' Meeting and leave my CoB Presidency **I would like to deeply thank:**

- ***All the MC Members for their great support, suggestions and disponibility***
- ***FederUnacoma Presidents, Directors and especially Marco Pezzini and Patrizia Menicucci for always support my activities and requests during these years***
- ***All the KNS, the Sessions' Chairmen&Rapporteurs and SGs Coordinators that participated at the CoB meetings during these years and especially to those of this last meeting***
- ***and a really special thanks to Prof. Marco Fiala – CoB Secretary General - for the great help, friendless, patience and his incredible capacity and disponibility to collaborate with me in managening the CoB during these 8 years!!***

**See you next year in Bari at
AGRILEVANTE Exhibition**

I wish all of you a safe travel back home !!
